

Parents' feedback 2018-2019

To gain an insight about how college could improve on various parameters, the college conduct a feedback survey at the end of academic year. The college value feedback and treat it with higher respect, courtesy, value and confidentially. In each academic session we ask parents to complete printed feedback form which is distributed to them. The feedback was sorted and the opinion obtained for each parameter is represented as percentage.

Majority of the parents stated that the admission procedure followed by the college is favourable one. As academic discipline in the college is very good, students are well mannered. 39.91% of the parents says that the canteen facilities provided by the college for the students are good, from this it is clear that canteen provide healthy and hygienic food .The evaluation and feedback mechanism adopted by the college is a fair practice, it helps the college in their growth and development process. The parents stated that the examination system followed by the college leads the students to improve in their academics. 37.16% shows that examination system is worthy. The college have given importance in improving the soft skills of the students along with their academics, it is clear that majority of the parents responds it as satisfactory. from the analysis it is evident that the college is concerned about the infrastructure and lab facility provided for the students. Parents stated it by 42.20% as good and 27.06% as very good. To improve the reading habit of the students the college provides with bibliotheca . And parents stated that the other facilities provided by the college is very good. .The initiative taken by the college for placing the students in a reputed firm is a favourable move.Statistics shows that 22.02% of parents stated that the sports and cultural activities is good ,which is also a part of their extra-curricular growth.For mentally strengthening the students college provides counselling sessions for the needed students. The seminars and contact classes provided by the college for the students to choose their career is an appropriate one. The students will get a clear picture about what they want to pursue. Parents stated that by using the ICT facility for lecturing and other academic purpose helps

the students to be updated .It also helps them in their seminars and presentation. PTA is one of the main associations which contributing to the smooth functioning of the college .

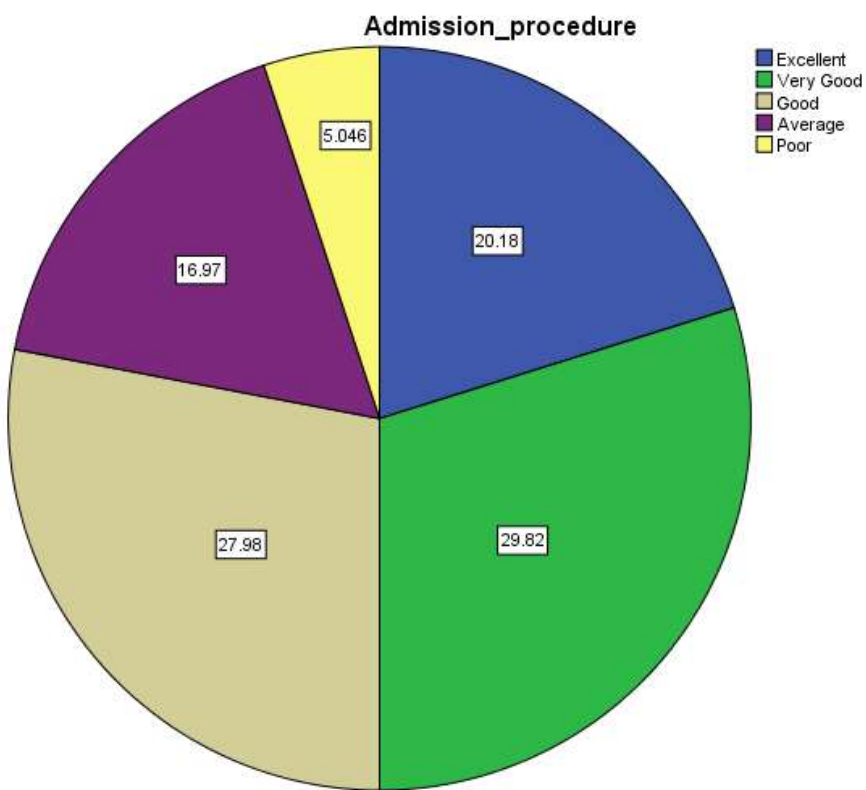

Suggestions.

- ❖ Avail more ICT facilities for conducting seminar .
- ❖ Frequency of conducting the exams should be increased

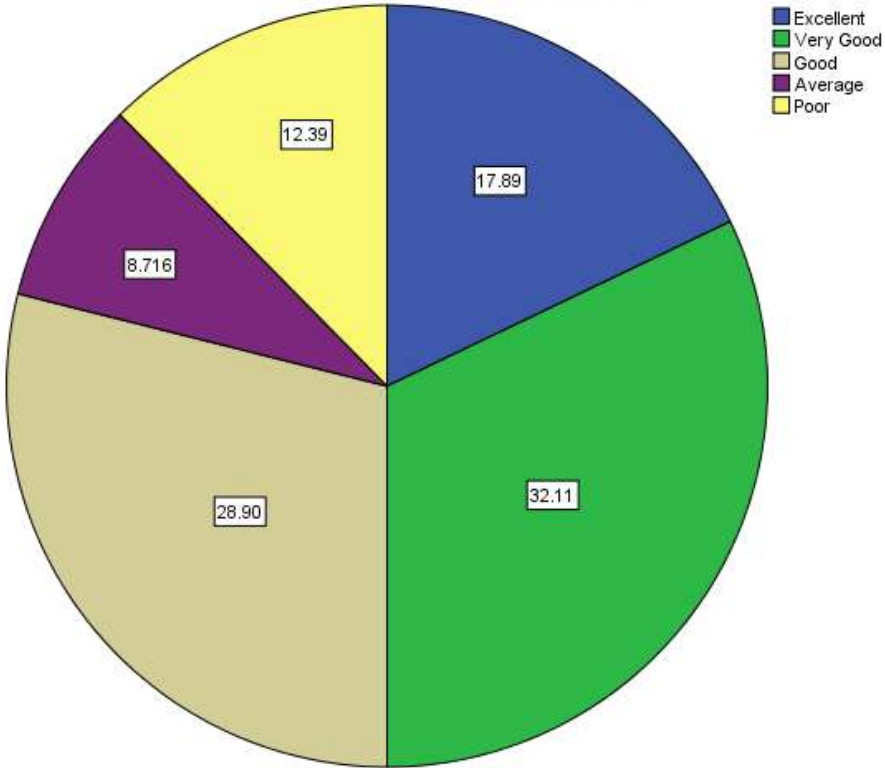

Conclusion

From the survey conducted it is inferred that majority of the parents have positive attitude towards the functioning of the college.
