ACTION TAKEN REPORT

The feedback from various stake holders regarding Mar Thoma College Chungathara is collected by using questionnaires and analysed by using SPSS.

The feedback form is distributed among the respondents randomly and it is analysed every year for identifying the shortcomings and other area of improvement. For this purpose, the feedback is collected from the students, parents, alumni and teachers.

On the basis of the detailed study about the conclusions, the IQAC had discussions on each aspect of the feedbacks received. The following are the major actions taken based on the feedback analysis

1. Teaching learning process should be more ICT oriented.
2. The infrastructural facilities in the laboratories are to be enhanced.
3. The provisions for enhancing the facilities for a new college auditorium.
4. Hostel facilities for boys are to be considered.
5. The facilities and services in the cafeteria should be improved.
6. More placement drives should be organized for increasing the employment opportunities.
7. Adequate coaching facilities are to be provided for team based events.

These suggestions are discussed in the IQAC and forwarded to the Management committee for further action. As per the recommendations, the management committee of IQAC have taken the following corrective measures.

1. 23 classes are ICT enabled. Thus, 31 classrooms are now with ICT facilities.
2. The proposal for the laboratory renovation has been included in the RUSA project.
3. The construction of a new floor for the Science Block has been approved and is progressing.
4. The toilet facilities for boys and girls are enhanced with the support of PTA.
5. The provision for sports hostel is under consideration of the management committee.
