FOUNDER MANAGER

His Grace The Late Glorified Easow Mar Timotheos Episcopa

His Grace The Late Glorified Easow Mar Timotheos a glowing morning star who shined for the people of the land—was born on 25th November 1932 at Thonniyamala, a tiny village about 4 kms. from Pathanamthitta. His zeal for mission made him dedicate his life for missionary work. A member of Christa Panthi Ashram for 21 years from the age of 20, he had his theological education at the Leonard Theological College, Jabalpur and later at St. Augustine College, Canterbury, UK. His life of prayer and deep spiritual experience encouraged him to engage himself in rural development activities. He was consecrated as Bishop along with Joseph Mar Irenaeus in February 1975 and was given charge of the Kunnankulam-Malabar diocese where he worked strenuously for the upliftment of the parishes in those under-developed areas of Malabar. The Mar Thoma College at Chungathara, which was started out of his personal interest in 1981, was instituted to facilitate higher education in Nilambur area. He gave warm support to the Wandoor Project taken up by the Christian Agency for Rural Development (CARD). As a committed person, having evangelical zeal, he helped many to find new life in Jesus. His sudden demise at Port Blair, on 11th April 1988 was a great loss to the church. Today various Bible institutes and educational institutions established in his memory ignites the evangelical zeal and educational interests of the church throughout the country and abroad.

OUR MOTTO

“Let your light so shine before men,
that they may see your
good works and glorify your
Father in Heaven”

St. Matthew 5 : 16

The logo of the institution symbolizes the high ideals it stands for. The map of our motherland with a lamp burning at the top is the lamp of wisdom disseminating its rays to all parts of the nation. At the center we find an open book, the Holy Bible; which says “The fear of the Lord is the beginning of wisdom”. Touching the open Holy Bible is the Cross, which stands for sacrifice and self denial for the benefit of humanity. The importance of science and technology in curriculum is depicted by the conical flask and the round bottomed flask; while the dashing athlete stands for physical fitness essential for the holistic development of each person.

FROM PRINCIPAL'S DESK

My dear friends

Welcome to Mar Thoma College, Chungathara. I sincerely believe that the college calendar for the session 2023-24 will present a bird's eye view of the rules & regulations and a profile of the College, which will help the students to a great extent by keeping them updated.

Our college has passed through 42 years in the Higher Education scenario at this economically and socially backward area of Nilambur. Genuine concern of our institution is to ensure students emotional growth along with intellectual excellence. This empowers them to develop their self esteem, self awareness and self confidence. The motto of our College is **"let your light shine"** and we expect that the education will enlighten the young minds and convert them as the bright citizens serving the society.

The Vision and Mission of the College is reflected in providing intellectually challenging environment that will empower students to become inventive thinkers, resourceful problem solvers and motivated learners prepared to flourish in the 21st Century. The College ethos lies in maintaining high standards and goals for every student in regard to academic concert, co-curricular involvement and accountable citizenship.

The world around us is changing is changing very fast and become borderless in several aspects. The demographic features of the developed nations are creating enormous opportunities to our human resources. In this situation the empowerment of students for their all-around development through education is the primary aim of our Institution. Today education means much more than merely acquiring knowledge. It is acquisition of knowledge and skills, building character and improving the employability of our young talent, the future

leadership. Our focus is on discovering, developing and sharpening the minds and skills of the students to enable them to become world-class citizens in the changing socio-economic scenario.

The developments in the technology have created so many opportunities and treats to the academic environment as a whole. There are several tools which help the students to find the solutions to various academic assignments, but without real competence you cannot survive in the competition. All of you should strive for excellence through the learning outcomes, soft skills such as cooperation, responsibility, communicative skills and dialogue, creativity and meta cognition.

The NEP introduced by the Central Government has opened new avenues to the students through academic freedom. The focus is a blend of theoretical and practical approach in the learning process. The education scenario in Kerala is also under drastic changes in the coming years, which focus in the empowerment of the Higher Education through the revision of the curriculum and skill enhancement measures.

The faculty members of our College make a substantial contribution towards enhancing the research orientation, self-employment and entrepreneurship among the students. Measures initiated by the Management, steps taken by the college administration, the willing contribution of the teaching and non-teaching staff and over whelming response and enthusiastic participation of our students and their parents will help us to face the challenges and to reach better heights in future. All the former principals, teachers and staff must be remembered for their dedication in building this institution. The present generation should strive to maintain the standard and goodwill of the institution. We all as a family should try to take the institution to new heights.

I am delighted to welcome you all to this vibrant institution of learning and pray that the campus life in this college may transform you as a better person participating in the process of nation building.

"While educating the minds of our youth, we must not forget to educate their heart" – Dalai Lama

Thank you

എൻ ദീപമേ ! ഈ അന്ധകാരത്തിൽ നടത്തേണെ!

LEAD, Kindly Light amid the encircling gloom
Lead thou me on:
The night is dark and I am far from home;
Lead thou me on:
Keep thou my feet; I do not ask to see
The distant scene; one step enough for me.
So long Thy power hath blest me,
Sure it still will lead me on
O'er moor and fen, O'er crag and torrent till
The night is gone;
And with the morn those angel faces smile,
Which I have loved long since and lost awhile

National Anthem of India

by : Rabindranath Tagore.

Jana gana mana adhinayaka, jaya he
Bharata Bhagya Vidhata
Punjab Sindhu Gujarata Maratha
Dravida Utkala Banga

Vindhya Himachala Yamuna Ganga
Ucchala Jaladhi Taranga
Tava subha name jage
Tava subha asisa mage,
Gahe tava jaya gatha

Jana gana mangala dayaka, jaya he
Bharata bhagya vidhata
Jaya he, Jaya he, jaya he,
Jaya jaya jaya jaya he.

Thou art the ruler of the minds of all
people,
Dispenser of India's destiny
Thy name rouses the hearts of Punjab,
Sindh,
Gujarat and Maratha,
Of the Dravida, Orissa and Bengal.
It echoes in the hills of the Vindhya and
Himalayas,
Mingles in the rhapsodies of the Jamuna and
Gangas and is
chanted by the waves of the Indian
Ocean.

They chant only thy name
They seek only thy auspicious blessings
They sing only the glory of thy victory
The salvation of all people
waits in thy hands.
Oh ! Dispenser of India's destiny,
Thou art the ruler of the minds of all
people
Victory to thee,
Victory to thee,
Victory to thee.

The National Song of India Vande Mataram

by : Bankimchandra Chatterjee

Vande maataram...
Vande maataram...
maataram...
Sujalaam Sufalaam Malayaj sheetalaam
Sasyashyaamalaam maataram
Vande....
Shubhrajyotsna pulakit yaaminiim
phulla kusumita drumadal shobhiniim
suhaasinim sumadhura bhaashinim
sukhadaam varadaam
maataram... vande maataram

Mother, I salute thee!
Rich with thy hurrying streams,
bright with orchard gleams,
Cool with thy winds of delight,
Dark fields waving Mother of might,
Mother free.
Glory of moonlight dreams,
Over thy branches and lordly streams,
Clad in thy blossoming trees,
Mother, giver of ease
Laughing low and sweet!
Mother I kiss thy feet,
Speaker sweet and low!
Mother, to thee I salute.
